Newark Trade Digital Graphics

Coloring is not just for kids anymore!

For this year's calendar, Newark Trade wants to bring out the inner child in you. It doesn't matter if you color outside the lines or if you don't have the big, 48-count box of colored pencils, just relax and get creative with a new picture each month.

In keeping with tradition, from concept to delivery, our entire staff has contributed to the calendar's production. While Gary D'Atrio, Patty Jurado,

and John Ruffi created each illustration, others on our team took photos, proofread, designed, edited, printed or worked in binding.

For even more fun, you can download and print any of these pages from our website at www.newarktrade.com. We further invite you to share your work with us by sending or scanning and e-mailing a photo of your finished monthly creation to desktop@newarktrade.com. Use the colored pencils we have provided or choose your own

medium. We will then select the most outstanding picture each month from all the entries and that person will win a prize. (Please send in by the 10th of the following month to qualify)

Break out of your routine, loosen up, have fun, go crazy with colors and relieve some stress. We hope you will enjoy coloring Newark Trade's 2016 Calendar as much as we had designing it.
